About The Event:

Tee Off For Taxes is a fundraising event for Prepare + Prosper (P+P), a nonprofit organization dedicated to helping low-income families become financially stable. All money raised will go to support our core programming.

Our audience includes over 100 golfers and 60 lawn bowlers who are typically volunteers, donors, and organizational partners. Last year's attendees included participants from financial institutions, accounting firms, law firms, large corporations, marketing and advertising agencies, and small businesses across the Twin Cities.

We would love to work with you to find the right way for you to raise visibility for your organization and support a great cause.

About Prepare + Prosper:

Prepare + Prosper (P+P) is focused on poverty alleviation and financial capability for low-income families. In 2015, with the help of 550+ volunteers, P+P:

- Provided free tax preparation to 13,256 taxpayers, returning \$25.2 million in refunds.
- Maximized the tax-time money moment by offering financial services and products that help hardworking families increase the financial impact of their tax refunds. This includes savings accounts, prepaid debit cards, credit reports, and more.
- Helped a record 947 taxpayers save \$1.6 million through its Got Some, Save Some savings campaign.
